1 finishing a question and witnesses are anxious to
2 get on with it and start answering it before the
3 question is answered, and certain other times I'll
4 be quick on the draw and start asking the question
5 before you're finished, and so if you'll promise me
6 that we'll both try to cooperate in doing that and
7 keep the Record straight.

09:05AM

8 A Yes, sir.

9 Q Okay. If at any time during the day you want
10 to take a break, let me know and we can finish

09:05AM

11 whatever the question is that's on the table and
12 take a break. This isn't an endurance contest. In
13 fact, I believe we may finish before the lunch
14 break, but there's no reason not to take a break if
15 you need one. We will break about every hour anyway
16 so that the videographer can change the videotape,
17 but even in between that, if you need a break, let
18 me know.

09:05AM

19 In preparing or since you've gotten the
20 subpoena, have you reviewed anything in preparation
21 of giving your testimony here today?

09:06AM

22 A Not really. It was so long ago. I've been
23 gone for eight years so wasn't much left to review.

24 Q All right. Did you look at any documents at
25 all?
